ARQUITECTONICA

ARCHITECT

Based in Miami and with offices in New York, Los Angeles, Paris, Hong Kong, Shanghai, Manila, Lima and Sao Paulo, Arquitectonica is a major presence on the world architectural stage. Founded in 1977, the firm received critical and popular attention and acclaim almost from its inception, thanks to a bold modernism that was immediately identified with a renaissance in Miami's urban landscape. Principals Bernardo Fort-Brescia and Laurinda Spear have continued exploring and pushing the limits of their innovative use of geometry, pattern, and color to introduce a new brand of humanistic modern design to the world. Today their practice spans the globe, with projects in 59 countries on five continents. Over the years, Arquitectonica has received hundreds of design awards, and the firm's groundbreaking work has been the subject of exhibitions at numerous museums and institutions.

URBAN ROBOT ASSOCIATES

INTERIOR & LANDSCAPE DESIGN

Urban Robot Associates (UR) is a design collective located in Miami Beach, specializing in architecture, interior design, landscape architecture and urban planning. UR's team works collaboratively to develop a multidisciplinary approach to all projects to bring about a unique vision and create experiences that are meaningful, memorable, and functional. Whether a luxury single-family residence, dynamic restaurant, historical hotel, precious natural resource, brand identity, or city policy—UR strives to elevate the human experience from the quotidian to the cinematographic. The firm draws upon its team's diverse design backgrounds to bring about singular narratives that are true to concept and tailored to each project.
